Rajasthan political crisis: Chief minister Ashok Gehlot to chair CLP meet today

Jaipur, Amid an ongoing political crisis in the Rajasthan, Congress Legislature Party (CLP) is set to meet under the chairmanship of chief minister Ashok Gehlot on Thursday at Hotel Fairmont in Jaipur. Earlier yesterday, governor

Kalraj Mishra issued an order to convene the Assembly session from August 14. The governor, in his order, has also directed that all measures should be taken during the session, as per the guidelines issued to prevent the spread

of Covid-19. The order for convening the Assembly was issued after repeated requests by chief minister Gehlot whose government is facing a crisis due to differences in the ruling Congress. The political crisis in Rajasthan triggered by simmering differences between Gehlot and his sacked deputy Sachin Pilot that surfaced. Pilot was removed as the deputy chief minister and the state unit chief of Congress. The Congress has accused the BJP of indulging in horse-trading to bring down the Gehlot government. The BJP has rejected the allegations. Earlier yesterday, governor Kalraj Mishra issued an order to convene the Assembly session from August 14. The order for convening the Assembly was issued after repeated requests by chief minister Gehlot whose government is facing a crisis due to differences in the ruling Congress.

Putting me in home quarantine illegal: Jharkhand BJP chief

Ranchi, Jharkhand BJP president and Rajya Sabha MP Deepak Prakash on Wednesday said the state government was acting on political vendetta after he was put in home quarantine following his return from New Delhi, further declaring it as illegal. Prakash had gone to New Delhi for his oath ceremony in RS and returned to Ranchi on July 23 and has been since been in 14-day home quarantine. The MP on Wednesday wrote to Ranchi DC and registered his protest against the decision and demanded revoking the order. "The visit to Delhi was to discharge my official and parliamentary duty. Even the circular issued by the chief secretary regarding home quarantine for those coming from outside the state exempts people discharging official duty. I have been put in

home quarantine despite it, which reflects the mindset of the state government," he said. Prakash is the second leader to have been put in home quarantine after returning from outside the state. Earlier, BJP legislature party leader and former chief minister of Jharkhand Babul Marandi had been put in home quarantine after his arrival from New Delhi last week. Prakash had gone to New Delhi for his oath ceremony in RS and returned to Ranchi on July 23 and has been since been in 14-day home quarantine.

Thomson launches Make in India certified android tv

Ahmedabad, Designed specially to cater to the pent-up demand that Indian economy is witnessing post Unlock 1 stage, the PATH series is aimed to meet the growing need of the consumer, who requires to work from home (WFH), learn online and further needs a fully integrated ecosystem to support the changes in lifestyle that the pandemic has brought. With the key enabler of google home which can be linked to all your entertainment, meetings, and online classes. Fully supported by 'Google Assistant', the PATH series is an out of the box and unparalleled experience for the discreet cost-value conscious online shopper, who is looking for a global technology product and a one stop 'smart screen', for all his needs. Be it search options for a food deliveries, news, updates, COVID alerts, online learning, music, LIVE streaming, Thomson brings to you a technological marvel with all this and more! The series further stays in-line with Thomson's philosophy of

'Friendly Technology' at affordable prices, too. With this launch, the India Brand Licensee of Thomson Tv-Super Plastronics Pvt. Ltd (SPPL) continues its momentum on 'Atmanirbhar Bharat' and remains committed to move towards self-reliance. The firm is completely backward integrated and they are proud Indian manufacturing to obtain an official license from Google to make Android TVs in India. Developing its software with R&D team in Bangalore and working towards embedding a complete Android ecosystem. SPPL is a proud partner with 'Google' and resonates fully with the ongoing 'Go Local Vocal' sentiment. The firm also echoes the 'Google for India Digital Fund' initiative. As it takes its first steps towards its transformation from the position of a manufacturer or OEM to one that of a 'technology company'. Coming months will be a witness to the same as SPPL stays committed to invest INR 1000 crores in Indian market in next 5 years with its recent entry in consumer appliance category. (19-8)

Stalked for months, Indore woman dies by suicide

Bhopal, A 19-year-old woman is believed to have died of suicide at her home in Indore on Monday, her family said on Tuesday, adding that she was pushed to this because of harassment by two stalkers. The family initially believed she may have done this out of fear of possible failure in her Class XII

examinations, but results out later on Monday showed that she cleared the exam with 74% marks. Police inspector Yogesh Tomar said neighbours and the woman's friends later told the family about the two stalkers. "One of the stalkers was exerting pressure on her to accept his offer for marriage. They also

threatened to kill her family if she refused to accept the proposal. But the family was not aware of this." "The girl's father...who is a labourer said he initially thought that she had committed suicide out of fear of possible failure in the exam; the result of which was announced on Monday afternoon.

AsiaOne recognizes Waaree as "India's Greatest Brand" in solar industry

Ahmedabad, Waaree Energies, India's largest solar module manufacturer and a leader in the EPC segment, has emerged as the India's Greatest Brand by AsiaOne Magazine & URS Media International in the fifth edition of their awards. The process advisor for these awards and listing was Deloitte Touche Tohmatsu India. Waaree is now the first Indian solar company to be recognized as the India's Greatest Brand the winners are judged on the basis of research across 16 industries, 1,200 brands and 62 sub-categories from multiple sectors. Waaree was chosen on the basis of excellence in

customer service and quality maintained over the years. Waaree has emerged as the most preferred brand for solar modules today, and is perceived by customers as the premium module supplier. The success story is slated to be covered by CNBC on 4th July. Waaree has already supplied near to 3 GW of solar panels till date globally, and commissioned over 600 MW of solar EPC projects in India. Waaree solar modules have been shipped to 6 continents, across 68 countries. With more than 140 tests performed at various stages of manufacturing, Waaree maintains its quality above global standards. (19-8)

Bank of Baroda's Credit Card arm Readies for Digital Transformation with Implementation of Fiserv Technology

Ahmedabad, BOB Financial Solutions Limited (BFSL), a wholly owned subsidiary of Bank of Baroda, has chosen Fiserv, Inc. (NASDAQ: FISV), a leading global provider of payments and financial services technology solutions, to enable the digitization of their end-to-end card issuance and processing cycle and support the launch of several new and high-tech products including contactless credit cards, tokenization and integration with branded wallets and virtual credit cards. BFSL is one of the earliest issuers of credit cards in India and has a reputation for delivering superior card products and services to its customers. To advance their digital strategy and keep pace with rapidly changing consumer expectations, BFSL will utilize FirstVisionTM from Fiserv, an end-to-end managed services solution

that enables card issuing and processing with global economies of scale and integrated capabilities that span the card lifecycle. The service-oriented architecture and open APIs of FirstVision facilitate rapid application development, enabling new capabilities to be brought to market more quickly and at a lower cost. The software as a service (SaaS) solution is hosted locally in India and enables card processing for major issuers across the country, helping ensure compliance with local payment and customer data regulations. "Delivering robust, secure products and a superior experience to our customers is our priority," said Shailendra Singh, managing director and CEO at BOB Financial Solutions Limited. "Fiserv understands our market, and we value the fact

that their card processing capabilities are hosted in India. The scalable, integrated technology provided by Fiserv will allow us to deliver the experiences our customers expect now and into the future, as we accelerate the launch of new products and services being adopted by all major issuers." The FirstVision platform will enable BFSL to move forward on their digital transformation journey with a fully integrated suite of card management tools including digital cards and loyalty management, advanced fraud modules, risk management and analytics solutions. "The speed at which financial services providers need to satisfy customer demand for digital services has further accelerated as a result of the impact of COVID-19," said Ivo Distelbrink, EVP and head of Asia Pacific at Fiserv.
